

Paralympics

On Monday 18th January a group of children in Years 3-6 went to St. Margaret Ward High School to compete against other schools in Olympic style games. We played New Age Kurling, Boccia, Seated Volleyball and Goalball as Paralympics without using our legs or blindfolded. We had a brilliant time and came third overall. A Bronze medal!

I hit the target in New Age Kurling. That was my favourite game.

- Sky Y4

It was really good. I liked taking part in sport that was a bit different.

- Anthony Y6

I liked competing against other schools.

- Summer Y5
